**Narrative**SIERRA VISTA POLICE DEPARTMENT  
Narrative Report

On January 3, 2016 at approximately 1825 hours, I was dispatched to [REDACTED] in Sierra Vista regarding an assault. Caller Frank Massaro contacted the Sierra Vista Police Department to report a female being assaulted. The incident occurred at [REDACTED] in Sierra Vista. Massaro was the witness to the incident.

When I arrived on scene, Officer Packer, PD265, and Officer Allyn, PD423, had already been on scene prior to my arrival. There were four subjects the officers were out with at that location. Subject Sherri Skinner was later identified as the victim of the assault. The other subjects at the scene were Sherri's daughter Shiann Skinner, witness Frank Massaro, and witness Todd Kleinert.

There was a four door sedan parked in the street belonging to Massaro. There was a sidewalk between the vehicle and the gravel part of the residential property. The vehicle that Sherri Skinner wanted to get back from her daughter was parked in the gravel driveway of [REDACTED]

I first spoke with Sherri Skinner regarding the incident. Sherri Skinner stated Kristi Chapman, who was supposed to be her longtime friend, had assaulted her. Kristi Chapman resides at that address. Chapman was inside the residence when police arrived. Skinner stated her daughter Shiann was visiting Chapman for the evening. Skinner was stopping by at the Chapman's address to take her daughter's car from her. Skinner had been having issues with her daughter and was taking her vehicle away from her.

When Skinner arrived on scene, she brought Frank Massaro and Todd Kleinwort with her. When Chapman came out of her residence, Chapman approached her and slammed the vehicle door that Skinner had arrived in. Skinner stated Chapman shoved her and she fell to the ground in the gravel portion of the yard. Chapman stood over Sherri Skinner and said "Do you really want to do this now?" During my conversation with Skinner, it appear Skinner was intoxicated or on some type of substance. She was swaying, had slurred speech, and sleepy eyes. It did not appear she should be operating a motor vehicle in her condition if she was to take the car.

I spoke with Shiann Skinner and she stated that her mother was coming over to take the car from her. When she arrived on scene she was unable to tell who had whose hands on who first. She saw what she believed were her mother's hands on or holding Kristi as well. Shiann Skinner stated she did see some type of a shove from Chapman, and her mother, Sherri Skinner, fell to the ground. Kristi was standing over Skinner after the incident.

After I spoke with Shiann, I went inside the residence and spoke with Kristi Chapman. According to Chapman, Sherri Skinner had came over to her residence wanting to take the car away from her daughter. When Sherri Skinner arrived on scene, she went outside and approached Skinner. Chapman stated she had gone to the car and she did touch Skinner on both sides of her arms. She stated the car engine was loud and she grabbed Skinner's shoulder and moved her away from the car door so she could close the door. She wanted to move Sherri away from the door so the people inside the car wouldn't have to listen to what they had to say to each other.

Sherri Skinner was standing between the car door and the car. When she moved

Sherri and shut the door, Sherri stumbled backwards towards the gravel portion of her driveway where she fell to the ground. Chapman stated after Sherri fell, she stood over her and said "Do you really want to do this now?" referring to Sherri being over at her house, wanting to take the car away from her daughter at that time of the night. As soon as the incident occurred, Chapman screamed "assault." Chapman claims she did not assault Skinner and went back inside the house.

I went outside and spoke to witness Frank Massaro who drove Skinner to the address. Massaro stated he was contacted by Skinner to give her a ride to Chapman's house to take away a car from her daughter. Skinner needed a ride and was in no condition to drive at that time. She needed another person to drive the car for her. Massaro had a friend name Todd Kleinert visiting him at his home at that time. Massaro had Kleinert assist him with Skinner's request.

When they arrived on scene, Massaro stated his car was loud and he was unable to hear much of what was said between the females. The only thing he saw was after his car door was slammed shut he looked and saw what he believes were Chapman's arms extended out as if Chapman had shoved Skinner. Skinner fell to the ground and Massaro got out of the car and saw Chapman standing over Skinner saying "Do you really want to do this now?" Massaro thought there was going to be a fight and called police.

I spoke to Todd Kleinert and he stated he didn't know what was going on and noticed the car door slammed. When that happened, he just saw what appear to be the bigger lady (Chapman) had her arms extended and the smaller lady (Skinner) fell to the ground. He got out of the car thinking there was going to be a fight. Subject Chapman was standing over Skinner then went inside the house after the incident.

I spoke to Skinner once again regarding the incident. Skinner stated Chapman came outside, shoved her out from between the car door, slammed the car door, and shoved her to the ground. At the time of the interview there were no sign or reports of injuries. Skinner wished to file charges against Chapman.

After interviewing everyone involved, there were three versions of what had happened. The only thing consistence I was aware of was that Chapman did put her hands on Skinner. There was no clear information on what had occurred. One version was that Chapman moved Skinner from the car door to close the door when Skinner fell. There was a report of possibly both Chapman and Skinner were grabbing each other when Chapman shoved Skinner away. The third version of the incident was that Chapman came right out and shoved Skinner. At that time, I placed Chapman under arrest for disorderly conduct.

Kristi Chapman was transported to the Sierra Vista Police Station to file booking paperwork. She was cited and released from the station. Sherri Skinner was provided with a Victim's Rights Form.

This case will be cleared by arrest.

There is nothing further from me at this time, end of report.
